

STELLAR - Ref. D23301 / 95A-R65

**Benefits :**

- R65 approved light performance
- Extra flat and aerodynamic design
- Best in class manufacturer quality
- Ultra robust polycarbonate

The STELLAR lightbar completes our range of lighting products for your safety. R65 and SAE approved, it is perfectly adapted to the amber/orange safety markets.

**TECHNICAL CHARACTERISTICS**

Brand	CEA
Voltage	10/36 VDC
Consumption	150W at 12V / 280W at 24V
Color	Amber / Orange
Connector	5 m bare cable (right side of the vehicle)
Lens Material	Polycarbonate
Housing Material	Aluminium
Length	950 mm
Width	280 mm
Height	124,5 mm / 75 mm (height with/without support)
IP protection	IP6K9K
Operation Temperatures	-30°C to +60°C
Vibration Resistance	ISO16750-3
EMC	ECE R10 + CISPR 25 class 3
ECE	ECE R65 (TA1 or TB1)
SAE	SAE Class 1
